Title: The Dark Core of Exodus

Author: Erethian  
-----

Exodus was a mixture of ethereal being and magical mechanism. Its living portion, or psyche, was comprised of its ambitions, desires, curiosity, in total, its personality. The subject matter of this tome, however, lies upon a part of its more physical manifestation. The Core was the receptacle of Exodus' memories and mental force. The psyche was almost like a parasite, feeding off the world around and depositing what it gained within the Core. What was Exodus' purpose? Who or what did it serve? This is matter of which I write. Exodus served none other than...(the text remains unfinished).
